

Praveenkumar R

Freelance Network & Web Hosting Specialist

Salem, Tamil Nadu, India

Email: praveenjo2001@gmail.com

Objective

Dedicated Computer Science graduate with 2.5 years of hands-on freelance experience in network topology setup, IT support, and web hosting. CCNA-certified with a proven ability to design and maintain LAN/WAN environments, configure routers and switches, and deploy secure, scalable web hosting solutions. Seeking to contribute my skills to a professional team in the UAE.

Education

B.E. – Computer Science and Engineering

Graduated: 2022

Certifications

Cisco Certified Network Associate (CCNA)

Issued: April 29, 2025

Professional Experience

Freelance Network & Hosting Engineer

Jan 2022 – Present | Salem, Tamil Nadu, India

- Designed and implemented LAN/WAN topologies for offices with 10–23 computers.
- Configured routers, switches, and servers for secure file sharing and RDP access.
- Set up hybrid networks with offline servers and remote access from online PCs.
- Purchased and hosted two commercial websites using cPanel, DNS, and SSL configuration.
- Provided ongoing IT support and consultation to small businesses.
